Recent Historic Preservation/Urban Design Consulting

Landmark Nominations, City of Seattle

John and Ruth Rohrer house (1948-49), designer John Rohrer; submitted May 2010; revised submittal August 2010; nomination accepted November 2010; designated as Landmark January 2011; City Council approved ordinance 2012.

Julian and Marajane Barksdale house (1949-50, 1955), designer Lionel H. Pries; submitted November 2010; revised submittal January 2011; nomination accepted May 2011; designated as Landmark, June 2011; City Council approved ordinance, 2013.

Federal Reserve Bank of San Francisco, Seattle Branch Bank building (1947-50), designer Naramore, Bain, Brady & Johanson; submitted June 2013, revised February 2014, withdrawn as directed by client, April 2015; submitted to The Johnson Partnership in support of their Landmark nomination of Federal Reserve Bank, September 2015.

National Register Nominations

Julian and Marajane Barksdale residence (1949-50, 1954-55), designer Lionel H. Pries; submitted July 2013; approved by State of Washington ACHP (Advisory Council on Historic Preservation), October 2013; approved by National Park Service, January 2014.

Reports and Similar Documents

"Comments Regarding the 'Environmental Impact Statement--1015 Second Avenue, Seattle Washington,' prepared by the Federal Reserve Bank of San Francisco," submitted by the Committee for the Preservation of the Seattle Federal Reserve Bank Building, 12 August 2011. These comments are in the form of a 91-page illustrated report addressing the architecture, history, and significance of the Federal Reserve Bank Building, designed by Naramore, Bain, Brady, and Johanson, constructed in the years 1948 to 1950.

"Comments Prepared in Response to the Letter to Mr. Joshua Whited of Eglick Kiker Whited PLLC, authored by Beth L. Savage, Director, Center for Historic Buildings, General Services Administration, regarding the Federal Reserve Bank of San Francisco, Seattle Branch, 1015 Second Avenue, Seattle, Washington, date stamped June 18, 2012," submitted by the Committee for the Preservation of the Seattle Federal Reserve Bank Building, 12 August 2012. These comments are in the form of a 72-page illustrated report addressing the architecture, history, and significance of the Federal Reserve Bank Building in Seattle, designed by Naramore, Bain, Brady, and Johanson, constructed in the years 1948 to 1950 [co-authored with David A. Rash].

"Greyhound Bus Terminal (Central Stage Terminal) Landmark Nomination, Supplemental Report," submitted on 10 June 2013 as public comment in response to the Landmark Nomination prepared by NK Architects. These comments are in the form of a 98-page illustrated report addressing the history, architecture and significance of the bus terminal, which functioned as a central transportation hub for Seattle from 1927 to 2013 [co-authored with David A. Rash].

"Discussion of 'Seattle Housing Affordability and Livability Agenda: Final Advisory Committee Recommendations' July 13, 2015," prepared for Lake City Neighborhood Alliance (LCNA), submitted 28 July 2015. This 23-page white paper analyzes the HALA Report recommendations and proposes positions that might be considered by LCNA.

Teaching: UW Courses Taught in Recent Years

Architecture 500: Graduate Architecture Design Studio: Typically an institutional building (of about 35,000 s.f.) in an urban setting (usually in Seattle); first weeks of studio include urban analysis and urban design problem, which establish the context into which the building must be fit. Enrollment: 11-12.

Architecture 590: Introduction to Urban Design and Historic Contexts/Preservation: Required lecture class in Master of Architecture curriculum that introduces students to theory and practice of design in existing urban settings. Enrollment: 42-50.

Architecture 352: History of Modern Architecture, 1750-present: Third class in the year-long architectural history survey, required of students in undergraduate architecture program (and required for graduate students who have not previously had equivalent class); lecture class that surveys architecture of the last 260 years with a focus on the emergence of modernism. Enrollment: 125-175.

Architecture 452: Architecture of Seattle and Environs: Elective lecture class that explores architecture in Seattle and the Puget Sound region from 1880 to the present. Enrollment: 22-24.

Architecture 556: The Arts and Crafts Movement and Its Legacies: Elective graduate seminar with readings, presentations, discussion, that explores the origins, development and influence of the Arts & Crafts Movement with a particular focus on architecture. Enrollment: 5-10. (Offered intermittently)

Architecture 598: History and Theory of Historic Preservation: Elective graduate seminar with readings, presentations, discussion, that explores the ideas that have shaped historic preservation, conservation and related practices, primarily in Europe and the United States. (Offered 2011, 2012, 2013; to be offered spring 2016)

Architecture 700: Thesis: Between 1990 and 2011, Jeffrey Ochsner served as chair of approximately 70 Master of Architecture thesis committees and as a committee member on an additional 70 thesis committees.

Teaching: Recognition

Lionel Pries Prize for Teaching Excellence, May 1992 (one award voted annually by students in UW College of Built Environments [previously College of Architecture & Urban Planning]; co-winner with Steve Juroszek in 1992).

Lionel Pries Prize for Teaching Excellence, May 1990.

Jeffrey Karl Ochsner

Administrative Appointment: Chair, Department of Architecture, UW, 1996-2002

Selected Activities in addition to typical day-to-day departmental administration:

Primary author, Architecture Program Report; submitted to NAAB May-June 2001). Planned/Hosted NAAB Accreditation Team visit, 23-27 February 2002.

Coordinated/Primary author, "Program Self-Study, Department of Architecture, 1990-2000" (required by UW Graduate School; submitted May 2000).

Supervised and consulted on "Strategic Planning Process, 2000-2005, Department of Architecture" (primary author Professor Sharon Sutton); adopted by Architecture Department faculty 8 March 2000.

Planned/Hosted NAAB Accreditation Team visit, 22-26 February 1997.

Design Charrettes planned/hosted:

"Making the Connection: UW and SoundTransit," Spring Quarter 1998 Design Charrette, March 30-April 2, 1998 (raised \$18,000 to fund charrette; coordinated charrette events; co-authored/edited charrette report).

"The Civic Center as a City Place: Integrating the Civic Center with its Neighborhood in Downtown Seattle" Spring Quarter 1999 Design Charrette, March 29-April 1, 1999 (raised \$16,000 to fund charrette; coordinated charrette events; co-authored/edited charrette report).

Administrative Appointment: Associate Dean for Academic Affairs, College of Built Environments, UW, 2007-present

Responsibilities including providing support to individual candidates and to departments for promotion and promotion/tenure processes (approximately 30 successful promotion or promotion/tenure cases between 2007-8 and 2010-11); providing support to College-wide interdisciplinary certificate programs, managing other administrative reviews and procedures.

Selected Additional Activities in addition to day-to-day administration:

Primary Author new College Bylaws (coordinated with College Council and the UW Office of Shared Governance); rewrote CBE 1985 By-laws for conformance with *University of Washington Policy Directory*; approved by CBE faculty, November 2007 (revisions 2009, 2016, 2017).

Primary Author CBE Promotion & Tenure Framework (coordinated with College Council and Department Chairs); prepared document establishing College-wide policies and procedures for Promotion and Tenure; approved by College Council, March 2008 (revisions 2015, 2017).

Primary Author new CBE Search and Hire Framework (coordinated with College and Department staff); documented (in written form) current policies and procedures for Search and Hire in all CBE Departments; finalized, May-June 2009.

Primary Author new CBE Retention Policy (coordinated with College Council and CBE Executive Committee), drafted new CBE policy for making retention offers; approved by College Council, May-June 2010.

Jeffrey Karl Ochsner**Selected Non-University Service**

Editorial Board member, *Pacific Northwest Quarterly* (publication of Center for the Study of the Pacific Northwest, UW), 2009-15.

Board Member, Society of Architectural Historians, 2000-3.

Local Chair, Annual Meeting, Society of Architectural Historians, Seattle, 1995.

Editorial Board member, *JAE: Journal of Architectural Education* (publication of Association of Collegiate Schools of Architecture), 1990-94.

Editorial Board member, *ARCADE: Architecture/Design in the Northwest* (publication of Northwest Architectural League, Seattle), 1990-92.

Current Professional Status

Registered architect, State of Washington

NCARB Certificate

Fellow, American Institute of Architects
