Need: Many scholarships awarded by the Department of Architecture are on the basis of financial need. If you would like to be considered for these scholarships, you must have completed the FAFSA (Free Application for Federal Student Aid) for 2016-2017. The financial aid office provides us with information so that we can determine your level of need. For instructions and deadlines see the Office of Student Financial Aid (<http://www.washington.edu/students/osfa/>).

If you are an International Student and therefore unable to fill out a FAFSA, please see Claudine Manio for a Special Need Assessment Form from the Office of Student Financial Aid that must be completed by the Application Deadline.
