<b>ADD/DROP CODES</b>	Add/drop codes are produced for classes needing them and are distributed by Jenner Johnson to instructors' mailboxes several weeks prior to the first day of instruction. Codes are issued to students at the instructor's discretion; please keep in mind that they override all restrictions, including class overload, and prerequisite requirements, to the space limitations of the classroom. If you need more codes or have questions, please contact Jenner Johnson at archdept@uw.edu or Shanna.
<b>ARCHNET</b>	Archnet is a fast Ethernet (100Mbit/sec) network that provides access to software and printing services as well as the Internet. For more information see: <a href="http://be.uw.edu/spaces/computing/archnet/">http://be.uw.edu/spaces/computing/archnet/</a> . Accounts and payments for Archnet services are managed in the Dean's Office.

<b>FACULTY COURSE EVALUATIONS</b>	The Department requires all courses to be evaluated by students each time they are offered. You will receive more information towards the end of the quarter. There are different forms for different course formats; most faculty use "form K" for studio evaluations. It is a good idea for the students fill out these forms before the last day of the quarter. <b>We recommend utilizing the on-line evaluation form whenever possible.</b>
<b>FACULTY PARKING</b>	Campus parking is available on a monthly fee or using commuter ticket purchased from University Parking Services: 1320 NE Campus Parkway, Seattle, WA 98195. Forms can be obtained from UW web site: <a href="https://risk.uw.edu/advice/consulting/forms#">https://risk.uw.edu/advice/consulting/forms#</a> and can be completed once to cover all fieldtrips over the course of the quarter. Please request that students also print their names on the form. Completed forms must be submitted to Shanna Sukol to be kept on file.
<b>FINAL EXAMS</b>	Final exams of non-studio courses are scheduled by the University's central scheduling system. Please see: <a href="https://www.washington.edu/students/reg/examguide.html">https://www.washington.edu/students/reg/examguide.html</a> for the UW final exam schedule webpage regarding your course and official final schedule. Once the grading period for the quarter has ended, grades cannot be submitted through GradeBook/GradePage. A late grade submission must be submitted through the Office of the Registrar's <b>online Grade Change Request form</b> (see prior link for access to form). Due to the need

for manual processing for submissions through this form, it will take 2-4 business days until the new grade appears on the student transcript.

For questions on change of grades or late grade submission contact [ugradoff@uw.edu](mailto:ugradoff@uw.edu). Students with financial aid may be adversely affected by late grade posting (aid withheld for following quarter until grade posts). See this link for the Faculty Grading Policy:  
<https://depts.washington.edu/grading/policies/index.html>

#### GUEST PARKING

The department can supply individual parking validation stickers for guests invited to participate in your course or studio. Each course is limited to a maximum of 8 parking passes each quarter per 12 students in the class. Please request validation stickers from Jenner..

#### INSTRUCTIONAL EQUIPMENT

Many classrooms are equipped with some instructional equipment. Slide projectors can be reserved and checked out through the CBE Visual Resources Collection. Faculty can check out laptops and projectors through the college website: <http://be.washington.edu/spaces/room-equipment-reservations/>. Students can check out computers and digital equipment through the CBE Library. You might also be interested in the University's site relating to teaching and teaching resources:  
[www.washington.edu/teaching/](http://www.washington.edu/teaching/)

#### INSTRUCTIONAL SERVICES

There are instructional services available throughout the University, including Classroom Support Services, University Libraries Media Center and UW Wired. For a complete listing see:  
<http://www.lib.washington.edu/services/faculty>.

Generally, most University services require charges to a budget number. *If you pay cash, this cannot be reimbursed*, so please see Shanna Sukol first for help with instructional services, printing, copying, etc. Due to budget constraints printing should be kept to a minimum and all class materials should be photo-copied using the college copier on the second floor of Gould Hall.

Please see: <https://itconnect.uw.edu/learn/tools/catalyst-web-tools/> for teaching technology services offered by the UW.

#### REIMBURSEMENTS

After approval from the Chair or Program Manager, please complete the CBE General Reimbursement form which can be found on the CBE web site [www.be.washington.edu/resources/admin](http://www.be.washington.edu/resources/admin) and submit to Shanna Sukol. All *original* receipts must be taped down (*staples removed*) and submitted along with this form. If a receipt is misplaced or cannot be obtained, please fill out a Perjury Statement Form: [www.be.washington.edu/resources/admin](http://www.be.washington.edu/resources/admin) and submit to Shanna.

#### RESERVING UW VEHICLES

Many instructors organize fieldtrips that are accessible via Metro, however, if you do need a 7-person mini-van and/or 8-person SUV, you and your students are required to complete UW On-Line Basic Driver Training prior to reserving a vehicle:  
[www.washington.edu/facilities/transportation/fleetservices/training-safety](http://www.washington.edu/facilities/transportation/fleetservices/training-safety).

Jenner Johnson can help with the reservation of vehicles from UW Fleet Services. Fleet Services charges must be paid with a budget number (reimbursements of personal funds cannot be issued). For further information on available vehicles see:  
[www.washington.edu/facilities/transportation/fleetservices/](http://www.washington.edu/facilities/transportation/fleetservices/).

#### ROOM KEYS

If you have a class that begins after 5:00 PM, please check in with Jenner Johnson to determine if you need a room key. All studios can be accessed with a Husky card and are open during regular studio hours. To get after-hours room access for students, send an email to Kim Sawada (undergrad) or Claudine Manio (grad) with your class lists and they will arrange for access. (Please do not contact the Dean's Office for room access.)

#### STUDENT CODE OF CONDUCT

Students are held to a high standard of behavior at the University of Washington. See <https://www.washington.edu/cssc/student-conduct-overview/student-code-of-conduct/> to review the code. While it is extremely rare, please report any upsetting events, particularly physical or sexual

harassment, to Ann Marie Borys or Rob Peña so it may be handled in an appropriate and timely manner.

#### **STUDIO CLEAN UP POLICY**

At the end of each quarter all students must remove their personal belongings, drawings, models, materials, food, and trash from studios so that the custodians can clean the building. Nothing can be left on the floors and refrigerators must be emptied and cleaned. *All materials must be removed from studio no later than 9:00 A.M. on the Monday following finals week.*

***It is the responsibility of studio faculty to schedule, oversee and enforce studio clean up.***

#### **STUDIO EVALUATION OF STUDENT WORK**

At the end of each quarter, studio instructors must provide students with an individual written evaluation of their work. (A hardcopy sample of the template is included). Please contact Claudine Manio or Kim Sawada for a digital copy. Since academic probation notices are due by the first week of the quarter, it's important to submit evaluations in a timely manner to allow the Chair time to notify the appropriate offices and the student of pending Academic Probation. The policy states: *Faculty should submit assessments directly to each student as soon as possible after the end of the quarter, but under no circumstances after the first day of the subsequent quarter.*

#### **STUDIO FINAL REVIEWS**

Usually, final reviews of studio work are conducted during finals week. The department generally schedules rooms for studio reviews; please contact Rick Mohler to inquire about the procedure for this. We encourage you to invite other faculty members for reviews as well as professionals from the community. Reviews are an important opportunity for students to get varied opinions about their work.

#### **STUDIO MID-REVIEWS**

You can schedule your mid-reviews according to your own schedule. There are a number of rooms in Gould and Architecture Hall that can be used for reviews, including Gould Court, Gould 100, Gould 208J, Arch 250 and Arch 042. To schedule a room you can access the CBE Calendar on the Architecture web site in MYARCH under Faculty Resources or contact Meegan Amen in the Dean's office at (206) 616.2439 or [meegan@uw.edu](mailto:meegan@uw.edu). It is a good idea to book review rooms early in the quarter.

#### **TRAVEL**

*Permanent Faculty Only:* All travel expenses must be requested in advance and approved by the Chair. The CBE Travel Form can be found on the CBE web site: [www.be.washington.edu/resources/admin](http://www.be.washington.edu/resources/admin). Submit completed forms and travel receipts to Shanna Sukol.
