

ARCH 599 – Independent Thesis Option Form

Select degree program:

___ MASTER OF SCIENCE IN ARCHITECTURE (DESIGN COMPUTING)

___ MASTER OF SCIENCE IN ARCHITECTURE (HISTORY & THEORY)

Name

Quarter/Year entering thesis prep

Email

Student Number

SELF-CHECK OF CREDITS:

Students must complete a self-check of credits and attach the worksheet to this form. Contact your academic adviser for a copy of your degree credit worksheet. Entry code for registration will not be issued until both signed form and credit worksheet are received

INDEPENDENT OPTION:

1. **On an attached sheet, please provide a preliminary thesis statement and theoretical framework** for the research project you intend to pursue (300 words max.). Also briefly describe your preparation for this work (previous courses, professional experience, etc.).
2. Please have your Faculty Mentor for thesis preparation and thesis sign this to indicate that you are approved to proceed with *ARCH 599: Thesis Preparation*. (If your Faculty Mentor is not a member of the Graduate Faculty, you must choose a second committee member who is a member of the Graduate Faculty. See Attachments B and C of the Master of Architecture Thesis Procedures.)
