FACULTY COURSE EVALUATIONS

The Department requires all courses to be evaluated by students each time they are offered. You will receive more information towards the end of the quarter. There are different forms for different course formats; most faculty use “form K” for studio evaluations. It is a good idea for the students fill out these forms before the last day of the quarter. **We recommend utilizing the on-line evaluation form whenever possible.**

FIELDTRIP RISK WAIVER FORM

An Acknowledgment of Risk and Consent for Treatment for Adult Fieldtrip Participants, also known as the “fieldtrip risk waiver form”, is required to be completed and signed (including printed name) by all participants of any class leaving the UW campus. Forms can be obtained from UW web site: <https://risk.uw.edu/advice/consulting/forms#> and can be completed once to cover all fieldtrips over the course of the quarter. Please request that students also print their names on the form. Please submit signed forms to Shanna Sukol to be kept on file.

FINAL EXAMS

Final exams of non-studio courses are scheduled by the University’s central scheduling system. Please see: <https://www.washington.edu/students/reg/examguide.html> for the UW final exam schedule webpage regarding your course and official final schedule. Your final review should not conflict with any student’s final exam. You may want to schedule reviews for the week prior to avoid any conflicts.

GRADE SUBMISSION

Grades are due by 5:00PM on the Tuesday following the last day of the quarter via Canvas GradeBook: <https://itconnect.uw.edu/learn/tools/canvas/canvas-help-for-instructors/grading/gradebook/>

Once the grading period for the quarter has ended, grades cannot be submitted through GradeBook. A late grade submission must be submitted through the Office of the Registrar’s online Grade Change Request form (see this link for access to the form: <https://depts.washington.edu/sislearn/about-online-grading>)

Due to the need for manual processing for submissions through this form, it will take 2-4 business days until the new grade appears on the student transcript.

For questions on change of grades or late grade submission contact ugradoff@uw.edu.

Students with financial aid may be adversely affected by late grade posting (aid withheld for following quarter until grade posts). See this link for the Faculty Grading Policy: <https://depts.washington.edu/grading/policies/index.html>

INSTRUCTIONAL EQUIPMENT

Many classrooms are equipped with some instructional equipment. Faculty can check out laptops and projectors through the college website: <http://be.washington.edu/spaces/room-equipment-reservations/>. RESOURCES AND FORMS

General resources and department forms can be found on the Architecture Department website under MYARCH/Faculty Resources:

<http://arch.be.washington.edu/myarch/>

ROOM KEYS

If you have a class that begins after 5:00 PM, please check in with Architecture front desk reception to determine if you need a room key. All studios can be accessed with a Husky card and are open during regular studio hours. To get after-hours room access for students, send an email to Kim Sawada (undergrad) or Claudine Manio (grad) with your class lists and they will arrange for access. (Please do not contact the Dean's Office for room access.)

STUDENT CODE OF CONDUCT

Students are held to a high standard of behavior at the University of Washington. See <https://www.washington.edu/cssc/student-conduct-overview/student-code-of-conduct/> to review the code. While it is extremely rare, please report any upsetting events, particularly physical or sexual harassment, to Ann Marie Borys or Rob Peña so it may be handled in an appropriate and timely manner.

STUDENT EMPLOYEES

If you supervise student employees, please see this web page for resources:

<https://hr.uw.edu/studentemployment/resources-for-managers/>. Contact Shanna Sukol with questions regarding student hiring and employment.

STUDIO CLEAN UP POLICY

At the end of each quarter all students must remove their personal belongings, drawings, models, materials, food, and trash from studios so that the custodians can clean the building. Nothing can be left on the floors and refrigerators must be emptied and cleaned. *All materials must be removed from studio no later than 9:00AM on the Monday following finals week.*

It is the responsibility of studio faculty to schedule, oversee and enforce studio clean up.

STUDIO: EVALUATION OF STUDENT WORK

Undergraduate studios are graded numerically. Graduate studios are graded CR/NC (credit/no credit).

At the end of each quarter, we ask for individual studio evaluations in addition to grades. Please refer to the *Department of Architecture Grading Policy* (attached to this packet) for additional guidelines. Studio evaluation templates - which can be customized according to your studio - are provided with this packet. Please distribute studio evaluations directly to each student via Canvas AND send a copy to Kim/Claudine to go into student records.

If you will be issuing a Marginal Pass to a graduate student, please consult with the Graduate Program Coordinator, Rob Peña, first as there are academic probation procedures which are triggered by a Marginal Pass.

Since academic probation notices are due by the first week of the quarter, it is important to submit evaluations in a timely manner to allow the Chair time to notify the appropriate offices and the student of pending Academic Probation. Faculty should submit assessments directly to each student by the quarterly grade submission deadline.

STUDIO REVIEWS MID-QUARTER

You can schedule your mid-reviews according to your own schedule. There are a number of rooms in Gould and Architecture Hall that can be used for reviews, including Gould Court, Gould 100, Gould 208J, Arch 250 and Arch 042. To schedule a room you can access the CBE Calendar on the Architecture web site in MYARCH under Faculty Resources or contact Meegan Amen in the Dean's office at (206) 616.2439 or meegan@uw.edu. It is a good idea to book review rooms early in the quarter.

STUDIO REVIEWS FINAL

The final review schedule will be determined by the department and will be scheduled by the fourth week of the quarter. We encourage you to invite other faculty members for reviews as well as professionals from the community. Reviews are an important opportunity for students to get varied opinions about their work.

TRAVEL

Permanent Faculty Only: All travel expenses must be requested in advance and approved by the Chair. The CBE Travel Form can be found on the CBE web site: http://www.be.washington.edu/wp-content/uploads/2015/11/CBE_Travel_GeneralReimbursement_201415_fillable.pdf.

Please submit completed forms and travel receipts to Shanna Sukol.
