

MYER HARRELL, AIA, LFA, LEED AP BD+C

CURRICULUM VITAE

A. EDUCATIONAL BACKGROUND

I. INSTITUTIONS

Commercial Real Estate Certificate University of Washington, Seattle, WA College of Built Environments, Runstad Department of Real Estate	2016
Master of Architecture University of Washington, Seattle, WA College of Built Environments, Department of Architecture	2005
Bachelor of Science in Architecture University of Maryland, College Park, MD School of Architecture, Planning & Preservation	2002

II. EDUCATIONAL FELLOWSHIPS, HONORS, & AWARDS

University of Washington, Seattle, WA	
▪ Commendation, ARCH503 Design Studio	2004
▪ Floyd A. Naramore Memorial Fellowship	2002
University of Maryland, College Park, MD	
▪ Philosophy Citation (minor equivalent)	2002
▪ Honors Citation	2002
▪ Presidential Scholarship (merit-based)	1998
▪ Norwest Mortgage Scholarship (merit-based)	1998
▪ National Society of Collegiate Scholars	1998

B. PROFESSIONAL PRACTICE

I. POSITIONS

Perkins&Will, Seattle, WA	Jun 2023-present
Sr. Associate Sr. Regenerative Design Advisor, Sr. Project Manager Manage schedule, budget, jurisdictional review, staffing, and resources during all phases of design and construction for commercial and science & technology projects. Duties include client care, consultant selection and coordination, contract negotiation, conflict resolution, and quality management. As Sr. Regenerative Design Advisor, support Living Design throughout studio project portfolio, implement and monitor Green Operations Plan, and support research as the Seattle champion of the Innovation Incubator internal research grant program.	
▪ Block 41 North Parcel: 268,000 SF hospitality, parking, and retail development (anticipated completion 2026)	
▪ Building 6 Analytical, Impurities, & Potency Lab Expansion: 6,000 SF laboratory expansion (anticipated completion 2025)	
▪ P&PD Lab Renovation: 9,000 SF laboratory renovation (anticipated completion 2025)	
▪ Technology Company Headquarters (confidential): 38,000 SF office tenant improvement in a mass timber building (anticipated completion 2025)	
▪ Taylor & 6 th Amenities: 24,000 SF of interior amenities within a 600,000 lab/office development	
▪ Two Cranes Institute: 12,000 SF Aikido dojo and non-profit office feasibility of ILFI CORE Green building certification (pro-bono)	
▪ EcoThrive Common House: 3,000 SF amenity building study for low-income homeownership community (pro-bono)	
Weber Thompson, Seattle, WA	Oct 2005-May 2023
Principal Director of Sustainability Manage schedule, budget, jurisdictional review, staffing, and resources during all phases of design and construction for mixed-use, high performance commercial office projects. Duties include client care, consultant selection and coordination, contract negotiation, conflict resolution, and quality management. As Director of Sustainability, oversee green education, efficient office operations, AIA 2030 Commitment reporting, continual improvement of the firm project portfolio, independent research, and marketing and	Jan 2016-May 2023

business development for high performance projects. Provide firm representation to the University of Washington Center for Integrated Design Research Partnership Initiative Advisory Board.

- 9 North: 115,000 SF core & shell high rise office building with ground floor retail (anticipated completion 2024)
- 3800 Latona: 220,000 SF core & shell mass timber office building with retail & warehouse (anticipated completion 2023)
- 180 Nickerson: 100,000 SF office building major renovation and addition (anticipated completion 2023)
- Living Stone: 200,000 SF core & shell mass timber office building with retail (anticipated completion 2022)
- Fremont North Shore Building: 40,000 SF office building with retail (anticipated completion Feb 2021)
- Weber Thompson TI: 9,000 SF tenant improvement meeting Living Building Challenge requirements (completed Dec 2020)
- Watershed: 70,000 SF core & shell office building with retail (completed 2020)
- DATA 1: 190,000 SF core & shell office building with retail (completed 2017)
- LID I-5 conceptual study: interdisciplinary feasibility and master plan for interstate lid infrastructure (2018)

Senior Associate | Project Manager

Jan 2014–Jan 2016

Managed schedule, budget, jurisdictional review, staffing, and resources during design and construction for mixed-use multifamily residential and commercial office projects. Duties included design presentations and workshop facilitation.

- Watershed: 70,000 SF core & shell office building with retail, Living Building Petal (completed 2020)
- DATA 1: 190,000 SF core & shell office building with retail, LEED Gold certified (completed 2017)
- Office of the Future: invited research project on implications for the internet of things on office buildings
- Terry Thomas Environmental Graphics: post-occupancy behavior campaign to drive down office energy use

Associate | Project Architect

Nov 2011-Jan 2014

Performed design explorations, model and drawing production, technical detailing, documentation during design and construction. Lead jurisdictional review effort. Served as architecture point of contact during construction.

- 316 Alaskan Way: 200-unit apartment building, targeted LEED Platinum (not completed)
- Sunset Electric: 100,000 SF, 92-unit apartment building, LEED for Homes Platinum (completed 2014)
- The Wally: 27-unit apartment building (completed 2013)
- Urbfarm: a conceptual roof retrofit for an existing office building for urban agriculture

Architectural Intern | Job Captain, Project Coordinator

Oct 2005–Nov 2011

Performed design explorations, model development and drawing production and documentation during design and construction phases.

- Newark Vertical Farm, conceptual study for urban agriculture research facility (not completed)
- South Lake Union Urban Design Framework: guideline document created for City of Seattle (2010)
- 2nd and Virginia, high rise apartments and retail (not completed)
- Rainier Vista Block 16, townhouse development (completed 2011)
- Madison Lofts, 20-unit condominium building with retail (completed 2008)
- Woodinville Village Buildings D & E, (not completed)

Alchemy Design Lab, Seattle, WA

Jan 2005–Sep 2005

Architectural Intern

Residential and small commercial design and documentation. Co-designed and built a 500 SF architecture studio/woodshop addition. Delivered custom wood cabinetry projects.

Ehrenkrantz Eckstut & Kuhn Architects, Washington, D.C.

Dec 2002–Aug 2003

Urban Design Intern

Contributed to urban design analysis and design projects in a graphic production role. Supported community workshops for a transit-oriented development for a major D.C. corridor. Created interpretive diagrams for March 2003 proposal to Major League Baseball to acquire a DC team.

Bignell Watkins Hasser, Annapolis, MD

Jun–Sep 2001

Architectural Intern

DNC Architects, Gaithersburg, MD

Jun–Sep 1998

Architectural Intern

II. PROFESSIONAL RECOGNITION

a. Registrations, Certifications, and Individual Awards

Associate DBIA Certification #AS-4702 Design-Build Institute of America	July 2024
Young Architects Award American Institute of Architects	Mar 2021
Living Future Accreditation International Living Future Institute	Aug 2020
Branch Leadership Award Cascadia Green Building Council	May 2012
Emerging Professional Leadership Academy US Green Building Council	Jun–Dec 2011
NCARB Certificate #70934 National Council of Architectural Registration Boards	Jan 2011
Young Architect Award American Institute of Architects Seattle Chapter	May 2011
Architectural License / Registration #10116 Washington State Department of Licensing	Sep 2010
LEED Accredited Professional Green Building Certification Institute	May 2006–present
▪ LEED AP BD+C Specialty	Aug 2010–present
▪ LEED AP Homes Specialty	2014–Oct 2022

b. Select Professional Design Awards

Water Vision Award Northlake Commons Seattle 2030 District Vision Awards 2025 Role: architectural project manager	Apr 2025
Honorable Mention Northlake Commons AIA Seattle Honor Awards for Washington Architecture Role: architectural project manager	Nov 2024
Office Development of the Year Northlake Commons NAIOP WA Night of the Stars Role: architectural project manager	Nov 2024
The Beyond Green™ High-Performance Building and Community Award Watershed 2024 National Institute of Building Sciences (NIBS) Built Environment Awards Role: architectural project manager	May 2024
Finalist Watershed 2023 ULI Americas Awards for Excellence Role: architectural project manager	Jul 2023
Top Ten Award Watershed AIA Committee on the Environment (COTE) Top Ten Awards 2023 Role: architectural project manager	Apr 2023

Young Voices Selection Winner Watershed 2023 AIA Seattle Honor Awards for Washington Architecture Role: architectural project manager	Nov 2023
Grand Winner: Landscape Design Watershed 2022 GRAY Awards, GRAY Magazine Role: architectural project manager	Dec 2022
Merit Award: Best Commercial Project Watershed 2022 Pacific Coast Builder Conference Gold Nugget Awards Role: architectural project manager	Jun 2022
Honor Award, General Design, Private Ownership Watershed 2022 WASLA Awards Role: architectural project manager	Nov 2022
2021 Project of the Year Finalist, Excellence in Sustainability Watershed Engineering New-Record Best of the Best Projects Role: architectural project manager	Mar 2022
Popular Choice Award, Concept > Architecture + Water Watershed 2021 Architizer A+ Awards Role: architectural project manager	Jun 2021
Merit Award Watershed 2021 AISC innovative Design in Engineering and Architecture with Structural Steel (IDEAS ²) Role: architectural project manager	Apr 2021
Sustainable Office Development of the Year Watershed 2020 NAIOP WA Night of the Stars Role: architectural project manager	Nov 2020
Runner-Up Watershed Seattle Daily Journal of Commerce 2020 Building of the Year Role: architectural project manager	Feb 2021
Honorable Mention "Armature: A Topophilic Tower" ("Terry Thomas Transcended") 2019 eVolo Skyscraper Competition Role: design team advisor	Apr 2019
Merit Award, General Design, Private Ownership DATA 1 2018 WASLA Awards Role: architectural project manager	Nov 2018
Office Development of the Year DATA 1 2017 NAIOP WA Night of the Stars Role: architectural project manager	Nov 2017

Vision Award for Water DATA 1 2017 Seattle 2030 District Vision Awards Role: architectural project manager	Nov 2017
Honorable Mention La Apertura de Ambos Nogales Unbuild The Wall Competition, Archstorming Role: core design team member	Aug 2017
Honor Award, Professional Entry Conspicuous Consumption: Net Zero Student Housing at UCSF Mission Bay Campus Architecture at Zero Competition, AIA California Council Role: design team advisor & contributor	Sep 2015
2014 Building of the Year Sunset Electric Seattle Daily Journal of Commerce Role: project architect	Feb 2015
Multifamily Development of the Year Sunset Electric NAIOP WA Night of the Stars 2014 Role: project architect	Nov 2014
Runner-up Communicating Green 2009 Next Generation Design Competition, <i>Metropolis</i> Role: core design team member	May 2009
First place Eco-Laboratory Natural Talent Design Competition, USGBC Emerging Green Builders Role: core design team member	Nov 2008
First place Eco-Laboratory Living Future Competition, Cascadia Region Green Building Council Role: core design team member	Apr 2008

C. TEACHING EXPERIENCE

I. POSITIONS

University of Washington, Seattle 2010-2012, 2015-2018,
College of Built Environments, Department of Architecture 2021-present
Part-time Lecturer

II. STUDIO & LECTURE COURSES TAUGHT

ARCH 530, "Building Systems Integration" (Seminar) Spring 2025
Developed syllabus, readings, case studies, assignments, and arranged guest lectures and tours, administered grades for graduate students in this elective / professional practice selective seminar.

ARCH 530, "Building Systems Integration" (Seminar) Spring 2024
Developed syllabus, readings, case studies, assignments, and arranged guest lectures and tours, administered grades for graduate students in this elective / professional practice selective seminar.

ARCH 504, "Integration Studio III" Winter 2024
Contributed to syllabus and project parameters, provided lectures, individual desk crits and instruction, arranged project reviews, administered grades for this core curriculum graduate studio focused on building systems integration.

ARCH 504, "Integration Studio III" Winter 2023
Contributed to syllabus and project parameters, provided lectures, individual desk crits and instruction, arranged project reviews, administered grades for this core curriculum graduate studio focused on building systems integration.

ARCH 530, "Building Systems Integration" (Seminar) Developed syllabus, readings, case studies, assignments, and arranged guest lectures and tours, administered grades for graduate students in this elective / professional practice selective seminar.	Autumn 2022
ARCH 504, "Integration Studio III" Contributed to syllabus and project parameters, provided lectures, individual desk crits and instruction, arranged project reviews, administered grades for this core curriculum graduate studio focused on building systems integration.	Winter 2022
ARCH/CM 404, "Integrated AEC Studio" Developed syllabus and project parameters, led design studio, arranged project reviews, administered grades for undergraduate students in multiple AEC disciplines.	Winter 2015
ARCH/CM 404, "Design/Build Studio" Developed syllabus and project parameters, led design studio, arranged project reviews, administered grades for undergraduate students in multiple AEC disciplines.	Winter 2012
ARCH 100, "Introduction to Architecture" (Studio) Led one of four design studio sections for non-architecture major undergraduate students, provided lectures and individual desk crits and instruction, arranged project reviews, administered grades.	Summer 2011
ARCH 502, "Building-Integrated Agriculture" (Studio) Contributed to syllabus and project parameters, provided lectures, individual desk crits and instruction, arranged project reviews, administered grades.	Spring 2010

III. ACADEMIC SERVICE

a. Invited Design Studio Reviews

University of Washington, Seattle, WA

College of Built Environments, Department of Architecture

ARCH700 Master of Architecture Thesis, juror	May 2024
ARCH508 Architectural Research Studio, mid-review juror	May 2024
ARCH700 MS Arch in Design Technology Thesis, juror	May 2023
ARCH400 Architectural Design Studio, mid-review juror	Nov 2022
ARCH404 Integrated Design Studio, mid-review juror	Feb 2021
ARCH508 Architectural Research Studio, final review	Jun 2020
ARCH700 Master of Architecture Thesis, juror	Jun 2020
ARCH508 Architectural Research Studio, mid-review	May 2020
ARCH700 Master of Architecture Thesis, juror	Dec 2019
ARCH404 Integrated Design/Build Studio, final review critic	Mar 2018
ARCH700 Master of Architecture Thesis, juror	Mar 2018
ARCH700 Master of Architecture Thesis, juror	Dec 2017
ARCH404 Integrated Design/Build Studio, final review critic	Mar 2017
ARCH404 Integrated Design/Build Studio, mid-review critic	Mar 2017
BE498/505 McKinley Futures Studio, mid-review critic	May 2016
ARCH302 Design Studio, mid-review critic	June 2015
ARCH302 Design Studio, mid-review critic	May 2014
ARCH700 Master of Architecture Thesis, juror	Jun 2013
ARCH700 Master of Architecture Thesis, juror	Dec 2012
ARCH502 Design Studio, mid-review critic	Mar 2011
ARCH503 Comprehensive Studio, mid-review critic	Nov 2011
ARCH300 Design Studio, desk crits	Feb 2011
ARCH700 Master of Architecture Thesis, mid-review critic	Sep 2010
ARCH500 Architecture Design Studio, mid-review critic	Oct 2010
ARCH700 Master of Architecture Thesis, juror	Jun 2009

University of Washington, Seattle, WA

College of Built Environments, Runstad Department of Real Estate

RE551A Real Estate Development Studio, mid-review critic	Nov 2018
--	----------

Washington State University, Pullman, WA

Voland College of Engineering & Architecture, School of Design + Construction

ARCH401.4 Architecture Undergraduate Studio Review, final review critic
 ARCH401.4 Architecture Undergraduate Studio Review, mid-review critic

Dec 2009
 Oct 2009

b. Guest Lectures

University of Washington, Seattle, WA

College of Built Environments, Department of Architecture

ARCH562 Contemporary Architectural Theory	Nov 2024
ARCH598B Sustainable Design Case Studies	May 2022
ARCH524 Design Technology V	Mar 2022
ARCH526 Topics in High Performance Buildings	Jan 2022
ARCH504 Integrated Design Studio II and Companion Course	Mar 2021
ARCH526 Topics in High Performance Buildings	Jan 2021
ARCH592 Research methods	Nov 2020
ARCH598B Sustainable Design Case Studies	Apr 2020
ARCH526 Topics in High Performance Buildings	Jan 2020
ARCH592A/588 Research Methods	Apr 2019
ARCH598C Sustainable Design Case Studies	Apr 2018
ARCH571 Professional Practice	Nov 2017
ARCH571 Professional Practice	Nov 2016

University of Washington, Seattle, WA

College of Built Environments, Department of Landscape Architecture

LARCH212 Designing the Future, guest lecture/panelist	Nov 2017
---	----------

c. Academic Advisory Role

University of Washington, Seattle, WA

College of Built Environments, Department of Architecture

Faculty advisor, ACSA COTE Top Ten for Students Competition	May 2024
Faculty advisor, ACSA COTE Top Ten for Students Competition	May 2023

d. Professional Advisory Role in Academic Courses

University of the District of Columbia, Washington D.C.

College of Agriculture, Urban Sustainability and Environmental Sciences, Department of Architecture

External Thesis advisor	Feb-Apr 2024
-------------------------	--------------

Cornell University

Nolan School of Hotel Administration, Baker program in Real Estate

External advisor/reviewer, CRP6580 Residential and Commercial Development Real Estate	Feb-Mar 2023
---	--------------

Washington State University, Pullman, WA

Voiland College of Engineering & Architecture, School of Design + Construction

IDEX Design Studio	Feb 2011, Feb 2012
--------------------	--------------------

University of Washington, Seattle, WA

College of Built Environments, Department of Architecture

ARCH571 Professional Practice Seminar	May 2022
ARCH526 Research Evidence / Topics in High Performance Buildings	Feb 2020, Feb 2022
ARCH502 BE Lab: Design for Sustainable Urban Agriculture Practices	Jan 2010–Mar 2010

D. SCHOLARSHIP AND PUBLIC OUTREACH

II. PRESENTATIONS AND SPEAKING ENGAGEMENTS

(Seattle, WA unless otherwise noted)

a. Peer Reviewed Conference Presentations

<p>"Healthy Communities Special Session"</p> <p>AIA/ACSA Intersections Research Conference</p> <p>Panelist (virtual), estimated 50 attendees</p>	Sep 2021
--	----------

"High Rises + Humans: The Pursuit of Net Positive Energy" Living Future 2021 Un-conference, International Living Future Institute Conference session speaker (virtual), estimated 100 attendees	Apr 2021
"Adaptive Reuse as Carbon Adaptation: Urban Food Production in the Under-used Parking Garages of the Future" AIA/ACSA Intersections Research Conference Conference session speaker (virtual), estimated 50 attendees	Oct 2020
"Pursuing High-Rise Multifamily Energy Efficiency in Seattle" Passive House Northwest 11 th Annual Conference 2020 Conference session speaker (virtual), estimated 50 attendees	Mar 2020
Session FR217: "Discovering the Rosetta Stone: Translating Research for Design Decision-Making" AIA Conference on Architecture 2019 Conference session speaker, 150 attendees (Las Vegas, NV)	Jun 2019
"Exploring the Value Proposition for Biophilic Design" Living Future 2019 Un-conference, International Living Future Institute Conference session speaker, 130 attendees	Apr 2019
"Stay Cool -- Balancing History and New Development Pike/Pine District" Forum 2018 Annual Conference, American Institute of Architecture Students Tour guide, 25 attendees	Dec 2018
Session S312: "Learning from Seattle's Living Building Pilot Program" AIA Conference on Architecture 2017 Conference session speaker, 60 attendees (Orlando, FL)	Apr 2017
"Carrots & Karats: Economic Models for Urban Agriculture" Living Future 2015 Un-conference, International Living Future Institute Conference session speaker, 30 attendees	Apr 2015
"Sunset Electric: Passive Aggressive Behavior" Green Building Slam, Northwest Eco-Building Guild Short format speaker, 400 attendees	Oct 2014
"Building Integrated Living Systems: Resilience through Photosynthetic Energy, Ecological Recycling and Sustainable Food Production" Living Future 2013 Un-conference, International Living Future Institute & Cascadia Green Building Council Conference session speaker, 60 attendees	May 2013
"The Living Phase of Living Building: Planting Seeds in the Garden" Living Future 2011 Un-conference, Cascadia Green Building Council Conference session speaker, 35 attendees (Vancouver, BC, Canada)	Apr 2011
"Eco-Laboratory: Food For Thought" Built Green Conference 2010, Master Builders Association of King and Snohomish Counties Conference session speaker, 100 attendees (Bellevue, WA)	Mar 2010
"Eco-Laboratory: Pushing Boundaries" 2009 Annual Meeting, American Institute of Chemical Engineers Conference session speaker, 60 attendees (Nashville, TN)	Nov 2009

b. Invited Public Lectures and Presentations

"10 Ideas to Keep BIA from Becoming MIA" Grow[IN]' ON Integrated Agriculture Summit Oregon State University, University of Oregon, Washington State University Invited speaker and summit participant, 70 attendees (Portland, OR)	Sep 2024
"Sustainable Building Systems"	Apr 2024

AIAS Bloom West Quad Conference Invited panelist, 100 attendees
