

# MINOR IN ARCHITECTURAL STUDIES

25 credits

- **11 credits: Lower division Architecture courses**
- **9 credits: Upper division Architecture courses**
- **5 credits: Upper division College of Built Environment (CBE) courses.**

The Department of Architecture offers several courses for students who are interested in a general introduction to architecture or architectural history. Many of the specialized courses offered by the Department of Architecture are open to students from outside the department. These include courses in architectural history, media, and design computing.

To declare a minor, meet with your major department adviser. Any undergraduate student with at least sophomore standing (45 credits completed) who is declared in a non-Architecture major may declare this minor.

---

## Lower Division Courses

|                                                 |             |                      |
